

Cable Guide Kit

An Award Winning Cable Rod system, voted 'The Best Product of the Last Fifty years' by professional trades people and engineers that have used and trust their products.

Installations are faster, cleaner, neater and frequently use less materials, a winning combination for improved service, profits and professionalism. 100% testing is carried out on all rods. The Cable Rod system has helped to save over 16 million hours to the electrical industry to date. The real innovation behind the Cable Rod system is that it doesn't just route cable, it's a multi-purpose tool that will also allow inspection, illumination and retrieval with the many ingenious and time saving attachments available.

Features/Benefits

- > **Cut cable installation time by up to 60%**
- > **Increase safety, reduce ladder work!**
- > **Solve installation associated problems**
- > **Route and conceal cable easily**

The Mega Set

The mega set is without a doubt, the most comprehensive and best value set sold world-wide. It includes all the basic handling attachments, including the Super Beam, providing a supreme cable routing solution. Super Rods are the answer to installers demands for an extensive multi-purpose cable installation tool. 16 metres overall rod length, including all flexibilities means very few places are inaccessible.

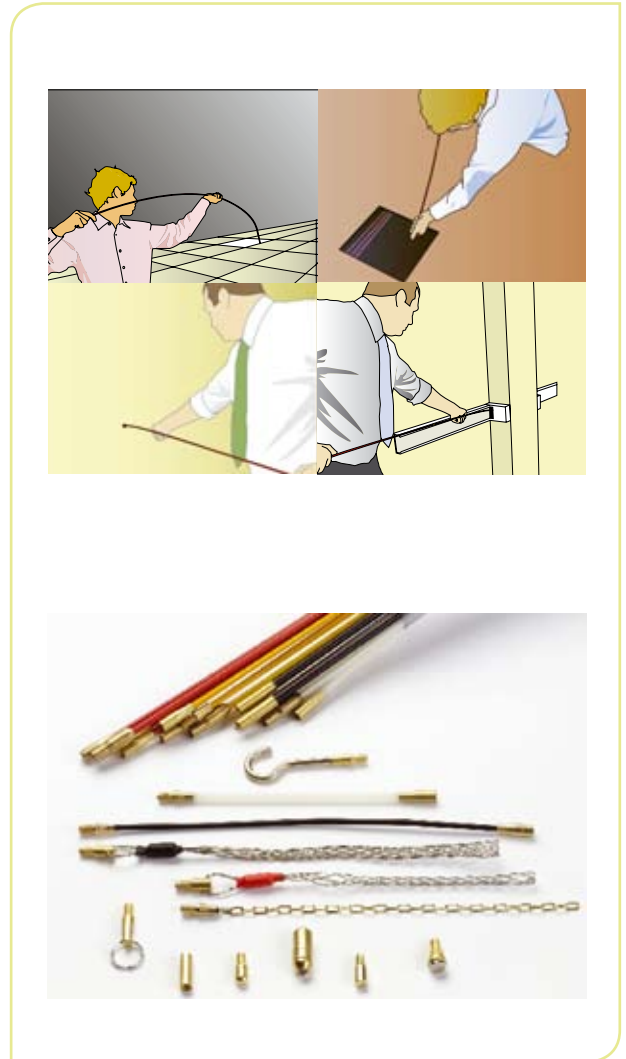

DESCRIPTION	PART NO.
Mega Set: 16 metres Application: Route, Retrieve, Illuminate, 5 Flexibilities & Grip.	SRME416

Packaging Specifications

Height: 120cm, Width: 4.8cm, Depth: 4.8cm, Weight: 1.2kg

Set Contents

- > 6x5mm Red x1m GRP rod
- > 1x red 5mm Swivel end x1m GRP rod
- > 3x4mm Yellow x1m GRP rod
- > 1x Yellow 4mm Swivel end x1m GRP rod
- > 3x6mm Black x1m GRP rod
- > 1x glow Rod with 5mm swivel end x1m
- > 1x5mm Flexi lead x1m
- > 1x5mm Flexi lead x175mm
- > 1x06-10mm Pulling sock (red heatshrink)
- > 1x11 - 15mm Pulling sock (black heatshrink)
- > 1xCR Domed bullet
- > 1xCR Flat bullet
- > 1xCR Gender changer
- > 1xCR Tuff hook
- > 1xCR Push pull ring with mini eye
- > 1xCR Chain x30cm
- > 1xCR Double magnet
- > 1x 250mm Black flexi lead

Super Grips

This attachment provides a quick solution by gripping objects from outside and tightening the grip under tension, it provides a very reliable and super fast method for securing cables to rods. Just slip one on and pull. Super grips offer the fastest and cleanest method of attaching and handling cable. Available in a 6mm - 15mm double pack.

DESCRIPTION	PART NO.
Super Grips Double Pack 1x 6mm-10mm Pulling sock with red heatshrink 1x 11mm-15mm Pulling sock with black heatshrink	SRGRDP

Packaging Specifications

Length: 31.5cm, Width: 3cm, Depth: 3cm

The Glider

The glider slips over all sorts of obstructions and is particularly successful routing cable over ceiling installations and joists. The glider is cleverly designed to take other attachments for super efficiently. For example, screw a super grip inside the glider and attach cable.

DESCRIPTION	PART NO.
The Glider	SRGL

Packaging Specifications

Length: 38.5cm, Width: 28.5cm, Height: 25cm, Weight: 2.1kg
